Dear Indranil Sur,

Congratulations! I am pleased to inform you of your admission to Arizona State University to study in the Computer Engineering (Computer Systems) (MS) program offered through ASU at Tempe for the 2014 Fall semester.

**Important:** Continued registration beyond your first semester is contingent on the receipt of the following information/documents issued by the registrar of the institution attended, bearing the seal of the institution and registrar's or academic official's signature.

- Degree certificate(s) in the original language with a literal English translation from the institution(s) listed below showing the degree received, and the degree was granted.

**Important:** For detailed information regarding I-20 requirements, please visit your MyASU page and the international admissions page at: [graduate.asu.edu/admissions/international](http://graduate.asu.edu/admissions/international).

To maximize the many resources available to you, please familiarize yourself with the ASU on-line student information and services web page at [my.asu.edu](http://my.asu.edu). You can access this page by logging in with your new ASURITE ID and password. This site is a valuable tool for you as you move through your degree program at ASU.

Arizona State University and the Computer Engineering (Computer Systems) (MS) program are committed to assisting you in your exploration of the tremendous resources and opportunities at ASU. Should you desire additional information, you may contact your department via email at [cidse.advising@asu.edu](mailto:cidse.advising@asu.edu) or by telephone at (480) 965-3199.

ASU embraces integrity in all scholarships, research, and creative endeavors. It is our expectation that you will review and abide by ASU's policies related to academic and research integrity ([provost.asu.edu/academicintegrity](http://provost.asu.edu/academicintegrity) and [researchintegrity.asu.edu](http://researchintegrity.asu.edu) respectively).

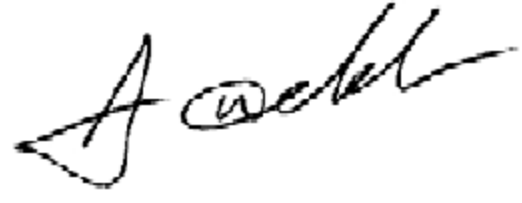

ASU is the New American University that believes your education should be not only transformative for you, but for society as well. I encourage you to learn more about what this means to you by visiting the ASU website at [newamericanuniversity.asu.edu](http://newamericanuniversity.asu.edu). I would also invite you to view the video that highlights the work of some of our recent graduates at [graduate.asu.edu/commencement/bravo](http://graduate.asu.edu/commencement/bravo).
